

SIMMONS & WHITE

CIVIL & TRAFFIC ENGINEERING

J. KYLE DUNCAN
Vice President

Mr. Duncan has 26 years of civil and traffic engineering experience, with 25 years in West Palm Beach with the firm Simmons & White, Inc. As Vice President and Director of Entitlement Services, his extensive experience includes all aspects of civil and traffic engineering as well as transportation planning projects for both public and private clients.

His areas of expertise include: Traffic concurrency studies, land use plan amendment studies, comprehensive plan civil and transportation element revisions, intersection studies, internal circulation studies, parking analyses, traffic improvements, traffic calming, capacity analysis, roadway design, and comprehensive engineering due diligence studies. Mr. Duncan has managed many projects from inception through completion, working with all involved parties – clients, elected officials, regulatory agencies, attorneys, funding agencies, subconsultants, construction contractors and the public.
