

 **SIMMONS
& WHITE**
CIVIL & TRAFFIC ENGINEERING

Ms. McGuire has 2 years of land development experience in Florida as an intern, with 1 year with the firm Simmons & White, Inc. As a Project Engineer, her experience includes all aspects of land development and civil engineering projects for both public and private clients.

Her areas of expertise include: Preparation of site feasibility reports, conceptual engineering plans for the concurrency, rezoning and site plan approval process, providing assistance during the platting process, the preparation of paving, grading, drainage, water distribution and wastewater collection plans, calculations, specifications and permit applications, assistance during the bidding process including preparing contract documents, services during construction necessary to certify work to governing agencies upon completion for projects. Ms. McGuire has worked on projects from inception through completion, working with all involved parties – clients, regulatory agencies, subconsultants and construction contractors.
