

SIMMONS & WHITE

CIVIL & TRAFFIC ENGINEERING

Mrs. Goldy has 8 years of land development experience, with 1 year in West Palm Beach with the firm Simmons & White, Inc. As a Project Engineer, her experience includes all aspects of land development and civil engineering projects for both public and private clients.

Her areas of expertise include: Preparation of site feasibility reports, conceptual engineering plans for the concurrency, rezoning and site plan approval process, providing assistance during the platting process, the preparation of paving, grading, drainage, water distribution and wastewater collection plans, calculations, specifications and permit applications, assistance during the bidding process including preparing contract documents, services during construction necessary to certify work to governing agencies upon completion for projects. Mrs. Goldy has worked on projects from inception through completion, working with all involved parties – clients, regulatory agencies, subconsultants and construction contractors.
